

i3E EOS Color

The i3E is an extremely compact flashlight with a maximum 120-lumen output (silver only, 90 lumens for all other colors), all running off of a single AAA battery. The i3E flashlight features a high-performance Philips LUXEON TX LED and a PMMA TIR lens that focuses the light to reach out up to 48 meters (silver only, 44 meters for all other colors). The versatile i3E fits easily into a pocket or bag, and can be connected to a keychain without adding significant bulk to your keys. Plus its slim smooth design won't wear on your clothing or purse. The i3E is the perfect choice for a small, bright, and affordable light to take with you anywhere. Available in several colors including Silver, Black, Blue, Purple, Green, and Red.

FEATURES

- Using a high performance Philips LUXEON TX LED which has a lifespan of 60,000 hours
- Paired with high quality PMMA TIR lens delivering a homogeneous beam
- Maximum output of 90 lumens (colors) or 120 lumens (silver)
- Powered by a single AAA Alkaline battery
- Aircraft-grade aluminum body with anti-scratch MILSPEC type-III anodizing (colors)
- Easily connects to a keychain or lanyard through a key ring on the lights tail cap
- Available in bright silver, black, red, blue, green and purple
- Waterproof IPX8

AVAILABLE ACCESSORIES

- AAA batteries

The small size of the i3E series flashlights make perfect keychain lights.
